

25X1

TOWN AND PORT OF CONSTANZA  
(No Scale)

CONFIDENTIAL

1 - Station street.  
 2 - Strada Republicii  
 (formerly Ferdinand Street).  
 3 - Cusa Voda street.  
 4 - Stefan Cel Mare street.  
 5 - Grivitei street.  
 6 - Ilie Pintilie street  
 (formerly Take Ionescu  
 street).  
 7 - Tudor Vladimirescu street.  
 8 - Regina Maria street.  
 9 - Atelierelelor street.  
 10 - Skarlat Varlam street.  
 11 - Marshal Stalin street.  
 (formerly King Carol street).  
 12 - Ion Lahovari street.  
 13 - Principale Mircea street.  
 14 - Ion Karadjale street.  
 15 - Traian street.  
 16 - Costache Negri street.  
 17 - Bratianu street.  
 18 - Town cemetery.  
 19 - Oil reservoirs and refineries.  
 The area was enclosed by a  
 brick wall about two meters  
 high.  
 20 - Oil tanks damaged by Allied  
 bombing during the war. The  
 damage was not considerable  
 and the tanks were being  
 repaired.  
 21 - Locomotive depot, capable of  
 accommodating 10 to 12 loco-  
 motives. This was a brick  
 construction covered with  
 white corrugated sheet metal.  
 22 - Sile.  
 23 - Electric power station pro-  
 ducing current for the port  
 area.  
 24 - Warehouses.  
 25 - Harbormaster's office.  
 26 - Shipyards. Three or four  
 ships sunk during the war  
 and subsequently salvaged  
 were undergoing repairs.  
 27 - Wharves.  
 28 - Large breakwater.  
 29 - Navigation lights at the  
 port entrance.  
 30 - Breakwater light.  
 31 - Two small breakwaters. Since  
 early 1948 work has been  
 carried out to extend these  
 breakwaters. Concrete blocks  
 were used in this construc-  
 tion. One was to be extended  
 to a length of 100 to 150 meters,  
 the other to a length of 50 to  
 60 meters wide and 2 to 2½  
 meters. Both will be about 4  
 meters wide and 2 to 2½ meters  
 above sea level.  
 32 - Small harbor used as anchorage  
 for fishing craft.  
 33 - Old breakwater.  
 34 - At this location dredgers were  
 seen operating in early 1948.  
 35 - Barracks. On the seaward side  
 of the barracks two or three  
 guns were located on fixed  
 emplacements.

36 - Four guns on fixed emplacements.  
 37 - Approved For Release 2004/07/08 : CIA-RDP82B00457R0046406130006-0  
 is a two storey brick building  
 which was occupied by an un-  
 specified Soviet unit.  
 38 - Town Council.  
 39 - Ovidiu square.  
 40 - Buildings occupied by an unspeci-  
 fied Soviet unit.  
 41 - Barracks occupied by an unspeci-  
 fied Soviet unit.  
 42 - Central telephone exchange.  
 43 - Post, telegraph and telephone  
 building.  
 44 - Greek school.  
 45 - Greek Orthodox Church.  
 46 - Buildings belonging to the  
 Greek community.  
 47 - Railway station.  
 48 - Single storey brick building  
 which was used as a Romanian  
 military club.  
 49 - Small buildings and sheds used  
 by Romanian railway guards.  
 50 - Areal administration offices.  
 51 - Soviet Consulate General.  
 52 - Market place.  
 53 - Public hospital. This was a  
 one-storey building.  
 54 - Soviet military stores. These  
 were two large two-storey  
 buildings previously used  
 as grain warehouses.  
 55 - Offices of the General Workers  
 Confederation.  
 56 - Offices of the Greek Communist Party  
 57 - Carlton hotel. This was the  
 largest hotel in Constanta  
 and was occupied by Soviet  
 officers.  
 58 - Offices of the Social In-  
 surance.  
 59 - Former Kircea Lyceum, occu-  
 pied by an unspecified  
 Soviet unit. Officers were  
 observed instructing units  
 in map reading.  
 60 - Military hospital. It was not  
 known whether the hospital  
 was used by Soviet or  
 Romanian forces.  
 61 - Three buildings occupied by  
 the Romanian security services.  
 62 - Civil prison. This was the  
 former shore restaurant center  
 known as Tataia.  
 63 - Old civil prison. This was  
 still in use.  
 64 - An unspecified number of  
 guns located here.  
 65 - Barracks occupied by an  
 unspecified Soviet unit.  
 66 - Romanian church.  
 67 - Slaughter house.  
 68 - Town electric power station.  
 69 - Village of Mamaia. This  
 village was completely occu-  
 pied by the Soviets.  
 70 - Mamaia beach. The public was  
 allowed to use this beach  
 only occasionally.  
 71 - Suburb inhabited by dock  
 workers and railway
